2 More Tiny Homes Completed and Occupied

Units 2 and 3 are now complete! Our newest residents have moved in and are getting settled in. Allison is a single mom of 2 and is so excited to have this opportunity. She returned to Brownwood after completing a faith-based program for women dealing with addictions and is working hard to start a new life. Jimmy was literally living in the woods between Early and Zephyr. He is working hard learning to make better life choices. He is also applying to TSTC for their welding program!

Our Open House and Fundraiser was a huge success!

On Saturday, June 15th we held our Open House and Fundraiser. We had many people attend the event and donated household goods and finances to continue with our projects. A huge THANK YOU to all who helped make it a huge success!

Legacy Village Phase 1 Update
